

# Zhytomyr Regional Association of Social Experts, Ukraine

## Mission of the organization

*creating an effective mechanism of implementing and developing various social programs and civic initiatives for ensuring social justice by means of rendering overall assistance and support to the least protected society strata and resisting the factors of social exclusion.*

## Target beneficiaries

### At-risk women

- women involved in migration processes including those suffering from human trafficking and forced labor,
- women suffering from domestic violence and various forms of discrimination (gender etc.),
- convicted women (in our region 20% - Roma women),
- senior female students including young mothers.
